

What I Want My Adopted Child to Know: An Adoptive Parent's Perspective

What I Want My Adopted Child to Know: An Adoptive Parent's Perspective is a tender, revealing look at adoption from the parent perspective. Whether you are an adoptive parent, an adoptee, someone considering adoption, or simply curious about adoption dynamics, *What I Want My Adopted Child to Know: An Adoptive Parent's Perspective* will touch your heart and increase your sensitivity to the challenges and joys that are unique to adoptive parenting.

Bacchetta wrote the book in response to a need common among adoptive families. "Adoptive families navigate emotional terrain that fully-biological families don't have to. This is a book adoptive parents can give to their child and say, 'I know adoption is painful, unsettling, joyous, and affirming. It's that way for me too. More than anything, adoption is the way we came together, and I'll always be grateful for that.'"

“*Sally has written a narrative that is heartfelt, honest, and warm. She's told her story truthfully and without sugar coating, but also with knowledge from which I would have benefitted had the book been written before my family embarked upon our own journey to adoption. The readers of this book are lucky to have the benefit of Sally's experience and her shared wisdom, because her story reminds us that we have so much in common.*”

— Greg Franklin, Esq.

Fellow of the American Academy of Adoption Attorneys

Bacchetta's words echo with the collective voice of over 100 adoptive parents interviewed for this book. With chapters like "I Would Do it All Again", "You Are Not Different Because You Were Adopted," and "I Regret What I Can't Give You," *What I Want My Adopted Child to Know* is by turns affirming, challenging, thoughtful, wistful, and poignant.

Author Bio

Sally Bacchetta is an award-winning writer and sales training consultant with more than a decade of experience in medical writing, magazine journalism, and corporate communications. She draws on her educational and professional background in psychology and counseling to illuminate the private thoughts of adoptive parents with sensitivity and startling honesty. Sally is the Rochester Adoptive Families Examiner and her articles have appeared in national and local publications including *Genesee Valley Parent* magazine.
